## **Legacy of Non-violent Action for Justice**

*“Posterity could not escape him even if it tried. By all standards of measurement, he is one of the half-dozen greatest men in world history.”*      *--Martin Luther King, Jr., speaking of Gandhi, Ebony, July 1959*

*“Nonviolence is a powerful and just weapon...a weapon unique in history, which cuts without wounding and ennobles the (one) who wields it... It was used in a magnificent way by Mohandas K. Gandhi to ... free his people from the political domination of economic exploitation inflicted upon them for centuries. He struggled only with the weapons of truth soul-force, non-injury and courage.”*
