

**Artist Proposals**  
**Mural Fest 2017 at Floral Ave. Park JC**  
**October 7<sup>th</sup>, 2017 11 am - 4 pm**

This year Mural Fest will support even more community engagement with art, guided by artists. We are soliciting proposals for workshop projects that would culminate at Mural Fest. For instance, we have permission to paint murals on several structures at Floral Ave. Park so one project would be to invite community members to plan a mural, including choosing a theme, gridding the design, choosing colors, prepping the space, and then painting it at Mural Fest. Similarly, we are partnering with Southern Tier Solar Works to create solar lanterns for neighbors: the workshop would come up with designs that use upcycled materials, learn how to assemble the solar lights, and gather materials for a table at Mural Fest where people could build their own solar lantern. Another idea is to create either a Box City or cardboard animals for small children to paint and play with.

**What is your idea?** The Dept. of Public Art has received a grant from Chenango Co Arts Council and will continue our fundraising so that we can fund artists to create projects that will engage the public at Mural Fest October 7<sup>th</sup>. If you are interested please fill out the following form and email it to [DeptofPublicArt@gmail.com](mailto:DeptofPublicArt@gmail.com) by July 15, 2017. Attach a couple of samples of your work. Contact us for more information.
