

COMMUNITY FORUM: **FIGHT the BLIGHT**

*An open meeting to discuss ongoing and new efforts
to combat vacant, blighted properties in our neighborhoods*

Thursday, May 8, 7:00 pm
Family Enrichment Network (Room 202B)
24 Cherry Street, Johnson City

Hosted by:

County Legislator Colleen McCabe (D)
Citizen Action of NY

Vacant properties are a major nuisance in our neighborhoods. They pose safety risks for our families and children, depress housing market values, and drain local tax dollars. Please join us in an open forum as we discuss successful blight prevention strategies, and announce new resources that can help us wage a more aggressive 'fight against blight' in our communities.
