Our show, Small in a Square is a 50/50 fundraiser for the Gallery. All members are invited to submit work. The sizes of your pieces should be between 4"x4" and 8"x8" (framed up to 12"x12"). Artwork can be matted, framed or in a sleeve. Work should be ready to be hung, shown in a rack, or put on a pedestal. Sculptural work should follow the Small in a Square concept (i.e., fit in a cube). Work will be sold off the walls and new pieces can be brought in. We will call you if there is room for more artwork.

Each piece must be labeled with a unique inventory number made up of the artist's last name and a consecutive numeral (ex.: Smith-01) to match the work inventory list and virtual images below. All artwork must have two labels attached -- one to display, and one to stay on the work. See details sheet.

The Gallery is following all coronavirus safety guidelines. The Gallery takes all care and precautions possible regarding handling and protection of your art. Beyond that, the Gallery cannot be liable for damage or loss.
